SOCIETIES

MICROSOFT LEARN STUDENT CHAPTER - EXECUTIVE MEMBER

November 2022–Present

I played a major role in the organizing of the trademark Hackathon of MLSC, MAKEATHON-5 (5th Edition) and the CTF named Raft Rumble. I worked in the tech, content, marketing and publicity departments.

EXTRACURRICULAR ACTIVITIES

PRINTED CIRCUIT BOARD - DESIGN AND FABRICATION

This activity helped me get a deeper knowledge about the construction of printed circuit boards and their usage.

A WEBSITE DISPLAYING MY RESUME

I created a website using HTML and CSS that displayed my resume hence making it easier to share my resume.

IRC SERVER – BASIC SERVER-CLIENT IMPLEMENTATION

This is an ongoing project. I have learned how to connect single as well as multiple clients with the server. The ultimate goal is to understand the complete internal complexities of an IRC Server and build one myself.
